

2021 Red Mountain Optu White

Our 2021 Optu White is a traditional *Bordeaux Blanc* Sauvignon Blanc dominant blend sourced entirely from Klipsun Vineyard. These 30+ year old vines are planted at the bottom of the appellation where the cooling effects of the Yakima river are greater helping to preserve acidity and freshness in white varietals. In the glass the wine is a bright gold color. On the aroma we get honeysuckle, pear, and baking spices. The palate is rich and full but balanced with crisp and mouthwatering acidity—guava, grapefruit, and Honeycrisp apple. Pairs well with all sorts of PNW seafood dishes or perfectly enjoyable on its own. Drink now through 2030.
