

TASTING NOTES

Klipsun Vineyard, an established Red Mountain vineyard, provides all of the fruit for the 2013 Semillon. The low lying elevation and largest diurnal shift in the AVA allows the grapes to retain bright acidity levels. The nose showcases aromas of ripe pear and apple, with subtle tropical and pineapple notes. The palate is round and full with a crisp finish, creating a perfect wine to pair with fresh vegetables, shellfish, and goat cheese.
