

# 2016 QUINTESSENCE VINEYARD SAUVIGNON BLANC

Quintessence Vineyard planted their Sauvignon Blanc in 2014 in the lowest elevation and coolest site within the vineyard. Fidelitas' Quintessence Sauvignon Blanc was barrel fermented in used French oak barrels, providing apple and pear notes with a slight bit of honey and nice viscosity from lees aging.

#### **BLEND**

100% Sauvignon Blanc

#### **VINEYARD**
