

# 2019 Red Mountain Malbec

This 100% varietal Malbec is sourced from 3 top-notch growing sites which bring their own unique expressions of the varietal to the blend. The result is a well rounded wine with tons of complexity, delicious in its youth yet can be laid down in the cellar to be enjoyed in a few years time. 2019 was a warm vintage although cooler on average than previous years and a result this Malbec has all sorts of great warm weather, fruit forward expressions. On the aroma we get vanilla bean, blackberry, and sweet tobacco. The palate is rich and full with a backbone of fresh acidity—blueberry, red plum, with a long white pepper filled finish. Drink now with 30 minutes to an hour of decanting or through 2035.
