

TASTING NOTES

Red Mountain Cabernet Sauvignon is our dedication to everything great about this grape from this growing region. Sourced from four distinct Red Mountain vineyards, but only one clone of Cabernet Sauvignon: Clone 8, the Washington clone. We find classic characteristics of cherry, red currant, raspberry, anise, and vanilla on the nose with this wine. This is complimented by dark fruit tones in a richly textured palate with polished tannins. The Red Mountain Cabernet Sauvignon is made to be approachable yet distinct. Drink now through 2020.

VARIETAL COMPOSITION

100% Cabernet Sauvignon: Clone 8
