

# 2018 Quintessence Vineyard Cabernet Sauvignon Clone 169

As we were tasting through all of our Quintessence lots for the 2018 vintage we decided to pick out 4 barrels of this specific clone which were especially high quality and delicious. This is going to be a wine that will last 20+ years in your cellar, but still has great flavors and approachability in its youth. Bring this wine to impress your Cab-lover friends. The aroma is super complex wanting you to take it in for a few minutes before taking a sip—baking spices, black currant, wet rocks, and vanilla bean. The palate has great viscosity and a rich tannin structure—we get red plum, blackberry, and white pepper. Drink now after a half-hour decanting or through 2040.

## BLEND

100% Cabernet Sauvignon Clone 169

## VINEYARDS

100% Quintessence Vineyard

## AGING

28 months

100% New French Oak
