

2015 BLACKWOOD CANYON CABERNET SAUVIGNON

Blackwood Canyon Vineyard is one of the original plantings of Cabernet Sauvignon on Red Mountain, with vines dating back to 1984. There is a unique intensity and complexity found in this wine. Blackwood Cabernet is highly aromatic, displaying dark blackberry and dark cherry, dried tobacco, and savory herbs. There is a velvety mouthfeel and an expressive palate, layering notes of dark chocolate, olive, and black currants. The silky tannins and great structure stay on the palate. Drink now through 2027.
