

2015 RED MOUNTAIN MALBEC

Fruit for the Red Mountain Malbec is sourced from three unique vineyard sites within the AVA to create a balanced varietal wine. To let the Red Mountain fruit shine through, the grapes go through ultra-gentle winemaking techniques and mostly neutral barrels. This provides us with bright red fruits, like raspberry and cherry, savory herbs, white pepper, and a hint of minerality. The palate offers a delicate complexity, showcasing dried cranberries and sage. Red Mountain Malbec is an excellent food wine with balanced acidity and gently textured mouthfeel. Drink now through 2023.
