

2019 Ciel du Cheval Cabernet Franc

Our Ciel du Cheval Vineyard Cabernet Franc remains the only varietal Cabernet Franc in our lineup. Since making our first Red Mountain Vineyard Cabernet Franc in 2007 we've learned to be selective in bottling the varietal on its own as it can be a little one dimensional but when you find good enough quality it makes for a super interesting and elegant wine. On the aroma we get Bing cherry, violet, and crushed rose petals. The palate has loads of blue fruit and a nice chewy tannin structure. We use a light touch of new oak aging on this wine as we're trying to let the pretty fruit and floral characteristics of Cabernet Franc shine through in this blend. Drink now through 2035.
