

2017 FIDÉLITAS ESTATE VINEYARD CABERNET SAUVIGNON

“There is something silky about this wine that we’re finding is inherent to the Estate,” say Charlie and Will. In our sixth vintage of Fidélitas Estate Vineyard Cabernet, we continue to feature Clone 2 and Clone 6 Cabernet from our 2008 planting. With each vintage, we find that this wine continues to develop more and more depth and complexity as the vines age. Each lot of Estate Cabernet is fermented in wood, which is a style developed for this wine. There is a rich, supple tannic structure than can be attributed to both the growing site and the clones used, along with a silky profile that is highlighted by Bing cherry and dark black fruit tones, and a lasting finish. Drink now through 2027.
