

2021 Red Mountain Malbec

This 100% varietal Malbec is sourced from 4 world-class growing sites which bring their own unique expressions of the varietal to the blend. The result is a well rounded wine with tons of complexity, delicious in its youth yet can be laid down in the cellar to be enjoyed in a few years time. 2021 had a warm Spring & Summer on Red Mountain and a result this Malbec has all sorts of wonderful ripe fruit characteristics and rich mid-palate. On the aroma we get plum, dark chocolate, and black cherry. The palate is rich and round with mouthwatering acidity on the finish—white pepper, blackberry, and blueberry. Drink now with 30 minutes to an hour of decanting or through 2035.

BLEND

100% Malbec

VINEYARDS
